

FLASHCONFERENCE

FLASHCONFERENCE

8th flashconference
May 05 – 06, 2006
Stuttgart
www.flashconference.de

presseinfo 01/2006

The flashconference will take place **May 05 and May 06 2006 in Stuttgart, Germany**, and is again part of the **fmX - congress on animation, effects, realtime and content** - to strengthen the convergence of media platforms.

This year the 8th flashconference presents **flash programming and new flash features** as well as glimpses into **Effects, Film and Cinema, Commercials and Video, Business Applications, Computer Arts, Real Time, Programming, and more ...**

You can meet **first time speakers** like **Nina Paley**, a famous cartoonist and animator from New York, **Gary Stasiuk**, a realtime actionscript programmer from Vancouver, **Gerd Hilgemann**, one of the most famous specialist concerning Video on the flash platform, **Jörn Buchholz**, developer of a flash based interactive map system, **Ron Jagodzinski**, with an innovative pyhsical user interface for flashfilm control, **Dirk Primbs**, microsoft evangelist, talking about alternatives on dynamic web concepts within the browser - based on WPF and XML...
On top of well known members of the German flash community like **Holger Eggert, Matthias Kannengießer, Mario Klingemann, André Michelle** !

Do you want to get in touch with **Jung van Matt** - the famous German agency - or the incredible guys from **das werk** in Düsseldorf? Well, this is your lucky day, because **they will be on the flashconference too!**

Get up early in the morning and don't miss **Greg Rewis**, studio 8 evangelist from Adobe Systems, who will open the flashconference!
